## 10th Warrington Scout Group

Scout Section Newsletter

April 2020

Greetings from lock down!

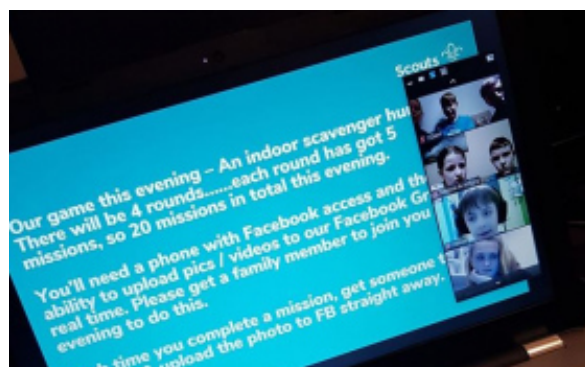

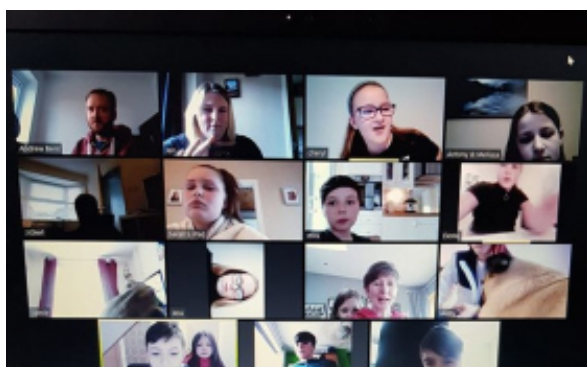

We hope you aren't all too bored and fed up with the sight of your house walls. Thank goodness the weather is brightening up so we can all get out into the back garden and enjoy it a little.

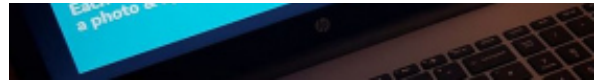

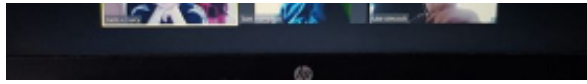

Whilst we are on lock down the leaders have been busy trying to come up with new ideas to keep our Scouts (and families) entertained. It's only a couple of hours a week but as leaders we certainly look forward to them and hope the Scouts do too.

We've taken the decision to run our virtual sessions as fun sessions instead of following the lead of other groups who have chosen to do badge work each week. There is still the option to complete badges via Scouting From Home. The link for this was sent out last week but if you require it again please let us know.

We've decided to set weekly challenges at the end of each Thursday night virtual session. More details below!

### Virtual Sessions

We hope that the Scouts have been enjoying the virtual sessions. Andy has been doing a great job in hosting and managing the sessions each week. If you have any feedback on the sessions please get in touch. Also, any ideas which you have we would love to hear.

This week all the scouts will be taking part in a quiz designed by each patrol, plus a leaders round. If they've not already, please ask your Scout to forward questions to their patrol leader via their Whatsapp groups. Questions need to be submitted by 10am tomorrow morning.

Next week we will be doing a 'Would I Lie To You?' game. Can all parents please ask their Scout to come up with the funniest true story. Please send these via whatsapp to Jen before Monday 13th April.

## Events on OSM

As you will notice, all events have been cancelled on OSM until further notice.

## Upcoming dates for your diary

We have nothing :(As you may have guessed, we won't be breaking up for the Easter Holidays as we obviously can't book holidays, go out on visits etc and so will keep entertained with Scouting instead :) Hopefully the Scouts won't be too busy and will be able to join us.

## Weekly Challenge

Each week we will be setting a challenge to the Scouts.

We would like parents to film the challenge and submit the film to Jen, Andy or Carl via Whatsapp. Please don't send to the group chat as we don't want the others to see your Scouts' awesome ideas and copy them!

We will devise a leader board. The challenges will be marked by the leaders for originality, fun and of course if you completed the challenge!

This will be kept going each week and scores added together. The best videos will be shared with the group on Thursdays and the Scout Facebook Group.
